Classes require no special attire, just comfortable clothing and bare feet. Classes are held at the Wellspring Theater at the Epic Center, 359 S. Kalamazoo Mall, Suite 204, downtown Kalamazoo.

### Modern Dance

Students learn creativity, build strength, increase flexibility, improve coordination, and learn the basics of body alignment and movement in a relaxed and nurturing environment.

### Modern Jazz

A different take on modern dance, students combine the technique of modern dance with the dynamics of jazz dance. Class starts with a modern floor warm-up, followed by standing work including traditional modern and jazz exercises and isolations. Class concludes with a combination done to popular music.

### Contemporary Ballet

A dance form which is based in classical ballet and incorporates modern, post-modern, and contemporary dance techniques. Class will include floor and barre exercises followed by center and across the floor combinations.
